Great news!

Blue Shield of California has partnered with retail pharmacies* to administer vaccines.† No more waiting for an appointment at the doctor's office, and walk-ins at participating pharmacies are welcome.

Effective October 1, 2014, members will be able to receive the following vaccines† at participating retail pharmacies:

-  **Influenza**
-  **HPV**
-  **Shingles**
-  **Pneumococcal**
-  **Meningococcal**
-  **Tetanus/whooping cough (Tdap) booster**

The vaccines† included in this benefit are covered under preventive care, so there is no cost to members.

* To find a participating pharmacy near you and the list of covered vaccines, visit our website at blueshieldca.com, click on the *Members* tab, and then select *Pharmacy*.

† Applies only to members in select non-grandfathered PPO/EPO plans.
